OFFICE OF PETITIONS

In re Application of	:	
Philip WILLIS	:	
Application No. 10/821,770	:	DECISION ON PETITION
Filed: April 9, 2004	:	
Attorney Docket No. 004-06	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed May 20, 2008, to revive the above-identified design application.

The petition is **GRANTED**.

The application became abandoned for failure to submit corrected drawings in a timely manner in reply to the Notice of Allowability, mailed August 3, 2007, which set a period for reply of three (3) months. Accordingly, this application became abandoned on November 6, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of corrected drawings, (2) the petition fee of \$770; and (3) an adequate statement of unintentional delay.

37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Since the statement appearing in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the required statement. Petitioner must notify the Office if this is **not** a correct reading of the statement appearing in the petition.

Telephone inquiries concerning this decision should be directed to Diane Goodwyn at (571)272-6735.

This application is being referred to the Office of Data Management for processing into a patent.
